

ANNUAL SCHOOL TUITION FEES – 2017

Year Level	Family			
	4 children \$	3 children \$	2 children \$	1 child \$
Kindergarten	2,100	2,100	2,100	2,100
Primary PP-6	1,880	2,450	3,110	4,205
Year 7-10	2,510	3,080	3,740	4,830
Year 11-12	3,140	3,710	4,365	5,460

Family Discounts are included in the fee table above.

To work out fees for your family, look at the figures in the column with the number of children you have - then add the year level amounts together for each of your children.

Examples:

If you have two children, one in Kindergarten and one in Year 7 – you would add together the figures from the 2 children column, e.g. \$2,100 + \$3,740 = \$5,840

If you have three children, one in Year 1, one in Year 6 and one in Year 10 – you would add together the figures from the 3 children column, e.g. \$2,450 + \$2,450 + \$3,080 = \$7,980

In addition to Tuition Fees, Levies are charged to cover the cost of activities unique to each particular year group and are designed so that payment can be spread over the whole year:

- Books;
- Equipment;
- Software purchased centrally by the College and supplied to students;
- Camp Fees (Years 6, 8 & 10);
- Subject Levies (for some Secondary subjects).

Other stationery, textbooks and materials are purchased by parents separately (Years 1 to 12) – please see <http://scc.wa.edu.au/parents/equipment-lists/> on the College Website.

A 2% fee discount is offered for upfront payment of Tuition Fees at the beginning of a school year (by 14 February). Keep in mind that as a K-12 school, we are one of the few schools in Geraldton where discounts apply for both Primary and Secondary education for your child/ren.

Fee assistance may be provided to families on low incomes – please make an appointment to speak with the Business Manager.
